I have read the information about the KDA Junior Rider/Young Rider College Scholarship and understand that winner's check will be made out directly to the winner's chosen institution of higher learning.

I understand that if I am awarded a \$500 scholarship from KDA, I will use the scholarship as the KDA intends during the 2024-2025 academic year. If I am not able to use the scholarship money by May 31, 2025, I agree to return it to KDA so that it can benefit another member for the following year's scholarship. I understand that KDA has the right to publish photos in the newsletter or for advertising if it so chooses.

I hereby certify that I am an a KDA Member in Good Standing.
